

WE NEED *your View*

At our next Church Meeting, we would like to discuss the main qualities that we as a church are seeking in a new Pastor.

As no one person will possess every gift and quality we might desire, we would encourage everybody to prayerfully consider which qualities are most important.

Comments and suggestions from all who attend the church are warmly welcomed — either given in person to one of the Deacons, or via the Suggestions Box in the vestibule.

Your thoughts ♥ *matter*
